

YELLOW MEDICINE **ONE WATERSHED, ONE PLAN**
PLANNING WORK GROUP (PWG) MEETING MINUTES
MAY 5, 2016 – 12:30 PM
MNDOT Conference Room – Marshall, MN

Present :

John Biren, Emily Javens, Jolene Johnson, LouAnn Nagel, Kerry Netzke, Pauline VanOverbeke, Jason Beckler and Mark Hiles – BWSR, Spencer Herbert – MDA, and Lucas Youngsma – DNR.

Following the Advisory Committee meeting, the group worked to review the Targeted Implementation Plan and continue to revise language to make the action items measurable.

Lengthy discussion concerned the action items pertaining Lake Shaokatan and other lakes. Decision was made to delete these action items as they are not measurable.

Netzke will complete the edits by May 6 and email to the group for review/edits. Upon approval, the Implementation Plan will be posted to the Area II website on Monday, May 9 in order to allow the Policy Committee time to review prior to their meeting on May 11.

Meeting adjourned at 4:00 p.m.

Respectfully submitted,
Kerry Netzke, Area II Executive Director
