Honner 32 Grade Stabilization	\$740.62
Redwood Falls 7 Stabilization Repair	\$20,947.73
Charlestown 29 Dam	\$18,432.60
Sioux Agency 3 Grade Stabilization Repair	\$26,948.40
Monroe 17 Stabilization Repair	\$13,550.81
Amiret 32 Grade Stabilization Repair	\$14,943.90
Total (to date)	\$569,031.07

AREA II
MINNESOTA RIVER BASIN PROJECTS, INC.

Member Counties:

**Brown
Cottonwood
Lac qui Parle
Lincoln
Lyon
Murray
Pipestone
Redwood
Yellow Medicine**

Overall Project Description

Minnesota Statutes, Sections 103F.171-103F.187, establish a grant-in-aid program administered by BWSR for providing financial and technical assistance to local government units (counties, SWCDS, and watershed districts) located in Area II for project and construction costs of floodwater retarding and retention structures within a general plan for floodplain management.

Nine counties within Area II have entered into a Joint Powers Agreement since 1978 to coordinate the implementation of such floodwater retarding and retention projects, and for this purpose, established Area II Minnesota River Basin Projects, Inc.

Statute authorizes BWSR to supervise the program and provide individual project grants not to exceed 75% of total project costs where federal funds are not utilized, or 50% of the nonfederal costs where federal funds are utilized. Costs eligible for financial assistance include consultant engineering for design and construction inspection, land rights acquisition, material testing, soil borings and analyses, permitting and project construction. *See page 2 for project photos*

GRANT SUMMARY (to date):

Total Project Costs = \$1,260,550.49

Local match provided = \$294,155.37

Other Government Funding = \$397,364.07
